

New in 2012!

Stone-Mel™

Give the appearance of an organic display with G.E.T.'s new Stone-Mel™ collection. Crafted from commercial quality melamine, this innovative and distinguishable displayware offers the look of natural stone without the cost and inconvenience of real stone. Available in elegantly textured black or slate design. Three different size pedestals are also available to add stature and elegance to your presentations.

SLATE – *the look and beauty of natural stone*
