Portable Counter Sneeze Guards and Barrier Shields: A Safe Guide for COVID-19 Dining

- **Detailed German craftsmanship:** Thoughtful design and material selection, crystal clear PET plastic for a barely-there look
- **Enduring in-service life:** premium materials result in evergreen pieces which save money over time
- **Operational ease:** lightweight and portable, features legs that won't bend or slide and offers users the exceptional quality they expect from a brand like FRILICH
- **Optional pass-through window:** Choose a shield with a pass-through window for counter service or opt for no pass-through window to use as a counter partition
- **Easily sanitized:** Unlike other materials, the shield and guard surfaces can be cleaned with alcohol-based cleaning products for superior sanitation

Traditional Tabletop Sneeze Guards

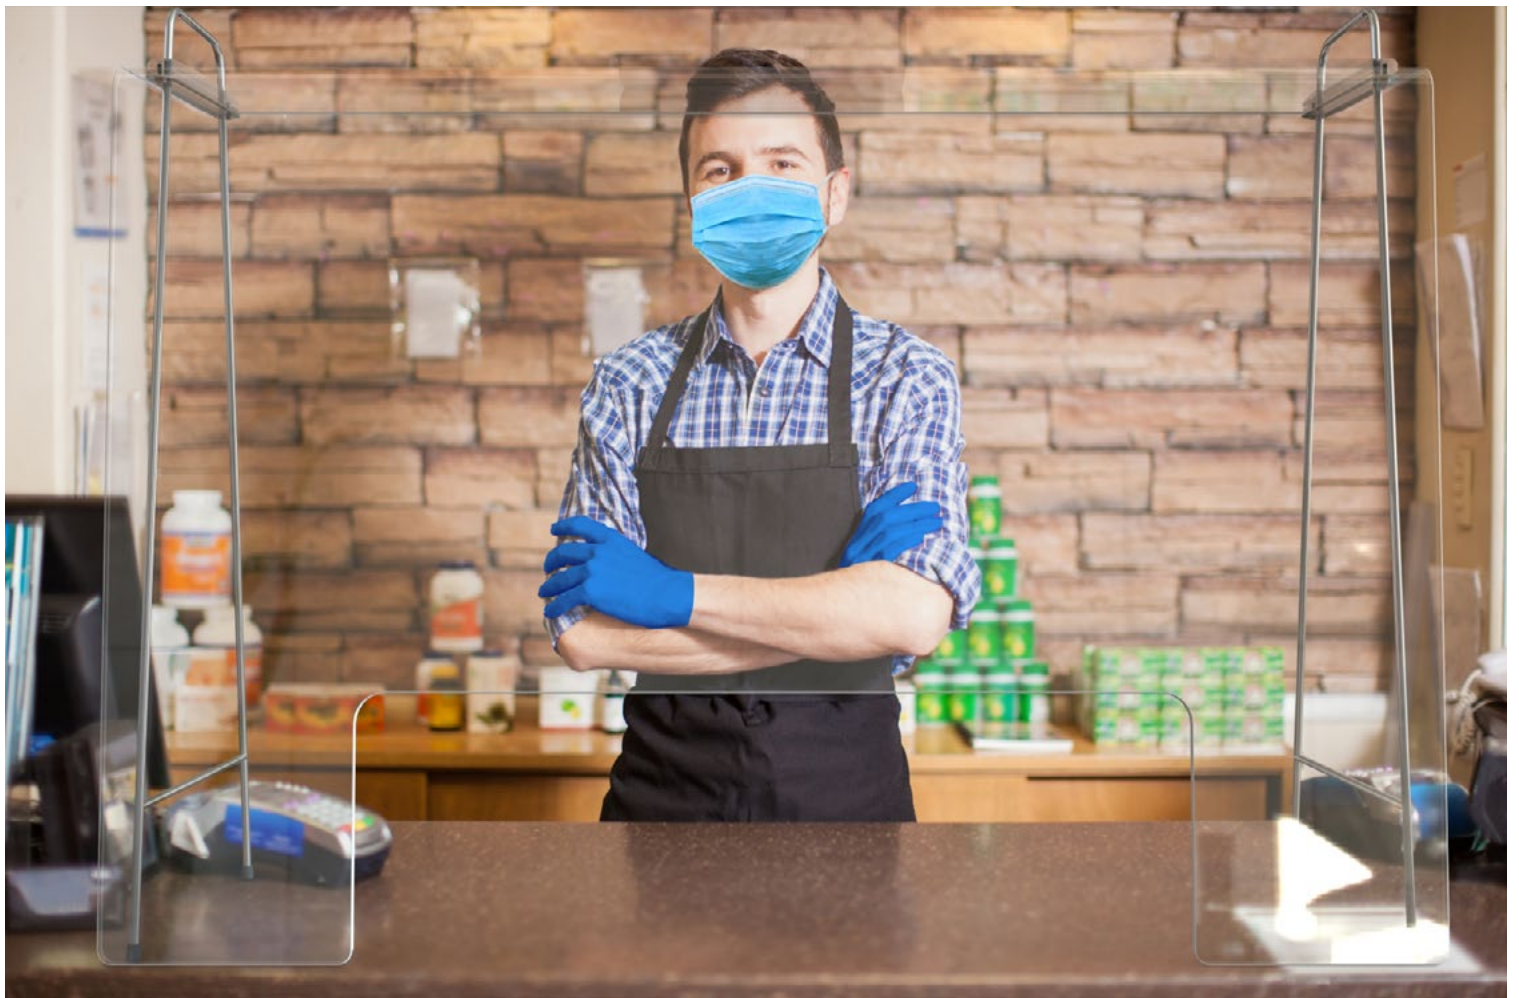

- **Food Safety:** Keep cold food displays safe from contaminants with FRILICH's crystal clear acrylic sneeze guards
- **Detailed German craftsmanship:** Wire legs provide stability and have non-slip rubber stoppers at the feet to prevent sliding
- **Adaptable:** Adjust the angle of the guard where the legs hold it in place for maximum coverage
- **Ease of Use:** Easily create a sanitary, temporary serving station at any event without ever needing tools to assemble or disassemble
- **Operationally Friendly:** Lightweight, portable design ideal for catering, banquets, buffets and displays
